### The Secrets Out!

One of the clubs best kept secrets is out! We have 2 squash courts and a successful Squash Section. Fancy a game why not talk to one of the players.

## Now open for business!

The Burghfield Community Sports Association opened for business on Wednesday July 1st..

Lot's of people joined the group of dedicated members who saved the club to celebrate it's re-opening.

They were able to witness for themselves the changes that had been made during the two weeks the club had been closed. The newly decorated lounge bar, the steam cleaned outside and even hanging baskets on the front of the building under the huge sign announcing our success!

Now two weeks on and with a steady flow of members coming through the door, everyone likes what they see and are keen to help us make a success of it.. Ideas for events and activities are pouring in with lots of offers of help.

We would like to thank everyone that has helped us so far , but we realise the job has only just begun and it will be some time before we get to all the things we want to do. We have a dedicated team with a can do attitude so we will get there—eventually!

## Welcome back to the dancers

The first two groups to come back and try out the newly polished dance floor were the Monday night Ballroom & Latin Club and the Tuesday night Sequence Dancers. Everyone hailed the highly polished (but not slippery) floor a huge success and were delighted to be back with us after the short break.

## Official Opening Day—September 12th 2009

Sir John Madjeski officially opens the club at 11:00 on Saturday Sept 12th. We want to give people the opportunity to try out all the things available at the club, so the programme for the day includes the chance to try squash, skittles, darts and the various forms of dancing held at the club. Along with family fun outside—we've booked fine weather for the event. The day will end with a launch party in the lounge. More details coming soon.

## Wagon Wheels Country Music

Love to line dance—why not join the Wagon Wheels on the first Friday of each month in the hall.
